

FIND, Inc. 2018 Fall Dialogue
Binhi: Growth Through Action
Hosted by District II at
University of Connecticut

Dear Artists and Performers,

The Filipino Intercollegiate Networking Dialogue, Incorporated (FIND, Inc.) is a network of Filipino collegiate-level organizations along the East Coast of the United States. We are currently preparing for our National Fall Dialogue to be held at University of Connecticut, Storrs on Saturday, October 13th, 2018. It is our hope that you will join us as a performer at our Cultural and Entertainment Showcase. Your performance will be showcased to over 70 of the East Coast colleges and universities that comprise FIND, Inc.

This year's Fall Dialogue will be hosted by District II of FIND, Inc. and is titled *Binhi: Growth Through Action*. The theme of this year's Dialogue is to discuss how growing up in America as a member of a minority group has shaped the Filipino American community's lives and upbringing, and to highlight ways in which these experiences can be channeled into a unique form of activism. Moving along with this idea, there will be a strong emphasis on individual growth to further aid in the development of the FIND, Inc. National community. Dialogue will provide an outlet for discussion about how a delegate's cultural identity has impacted and shaped their experiences, and how their experiences have shaped and impacted them.
